

Winning Words Spring Lesson 8: God
Quinque Viae Worksheet #2: The Governance Argument

Argument:

Nature is perfect. If the earth's atmosphere had just *slightly* more carbon dioxide, just *a little bit* less oxygen, we would not be able to breathe. It would be like Mars. Does the fact that our planet works so well mean that someone must have designed it?

I agree because:

(1) _____

(2) _____

I disagree because:

(1) _____

(2) _____
